Does Amazing Grace Learning Center have a Preschool program?

Yes! Our center offers a full-day Preschool program for children ages 3 and older. Preschool is a big year. We've designed our program to give you complete confidence in every aspect of your child's experience; from health and safety; to ready-for-school curriculum; to the full support of experienced teachers. Just as important, our program is based on what research says best prepares children for kindergarten…and all the big steps ahead.

What is Amazing Grace' process on checking the background of their employees?

Amazing Grace Learning Center conducts a comprehensive background check on all prospective employees and frequent visitors. The background check consists of a county criminal record check for the past seven years performed in all counties that a person has lived, worked or attended school. In addition to the county criminal search, a sex offender search, OFAC search and a social security

verification trace are also conducted. For all location employees, program licensing background checks required by the state are also performed.

What is your policy regarding pictures/videos of my child(ren)?

The decision to allow for a child's picture to be taken at a Amazing Grace facility is at the discretion of the family. Some families allow pictures to be used strictly within the classroom (i.e. to label cubbies), some allow pictures to be used both internally and externally (i.e. for our center-wide website), and still others do not allow pictures of their children to be taken at any time – no exceptions. In any case, we will respect your rights and your decision.
